

What's New in ABC Mobile App Release 2.22.0

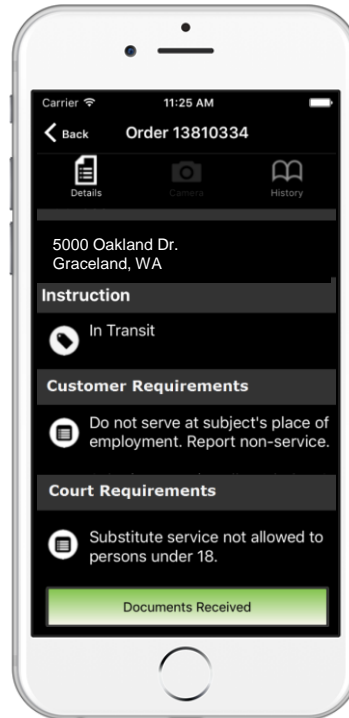

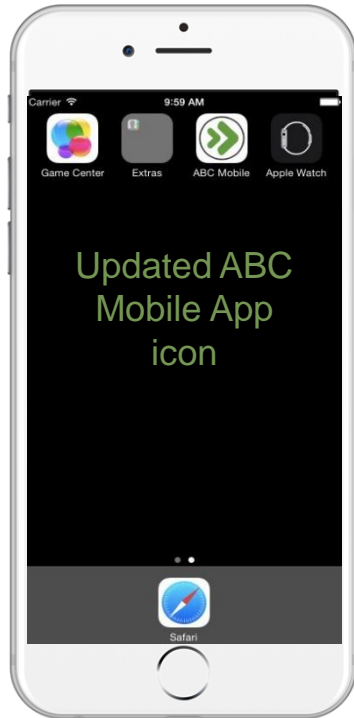

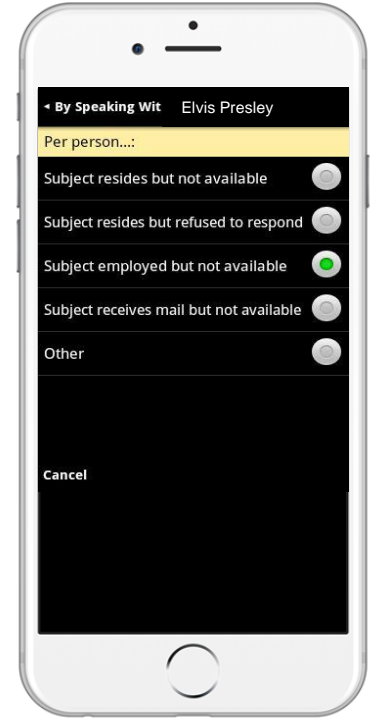

www.abclegal.com/products/mobile

Login screen now displays new ABC logo!

Subject employed but not available at this time/Receives mail here but not available

This section previously only had an option to select "Subject resides but not available at this time". Attempting with the confirmation that subject is employed, will now be displayed more accurately.

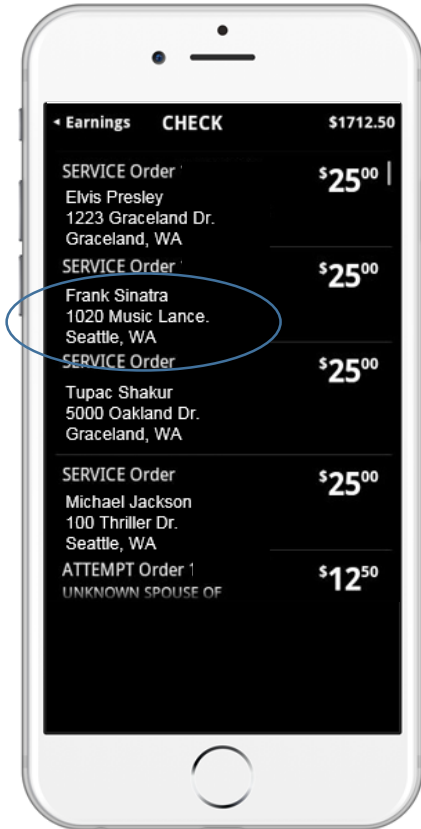

Customer requirements display first, then Court requirements, for more clear instructions
